# The Bathrooms 4U Team

Bathrooms 4U was founded by Alan O'Sullivan; we are an Irish company with a strong background in plumbing and bathroom design. We have over 10 years' experience in full bathroom refurbishments.

We are proud of our company ethos - we fit, supply and design bathrooms from start to finish in just five days! We specialize and take care of all the electrical work, tiling, carpentry and painting in one standard bathroom package.

We specialize in wet-room, mobility bathroom and standard bathroom projects. We design, fit and supply bathrooms in both domestic and commercial markets.

We provide bathroom grants and schemes; such as the HRI grant and Mobility Bathroom Grant. Our major service areas are Kerry, Limerick, Cork and Dublin - but we refurbish all over Ireland.
